## MUST HAVES

*It is again time for the most luxurious appearance possible – and what better colours to use than the elegant gold and black. A mix of these two and everybody will turn their heads. They can be used from head to toe as well – clothes, shoes, bags and all kinds of jewellery are true eye catchers in black and gold.*

1

### Rings by Pomellato

«Sabbia» rings, in red gold, available with black diamonds, brown diamonds and white diamonds

2

### Purse by Elie Saab
